

REQUEST FOR APPROVAL

To: Scott Smithline
Director

From: _____
Mark de Bie
Deputy Director, Waste Permitting Compliance and Mitigation Division

Request Date: **April 18, 2017**

Decision Subject: Approval to Formally Notice Proposed Secondary Material Processing Facilities and Operations Regulations

Action By: **April 25, 2017**

Summary of Request: Staff requests approval to begin the formal rulemaking process and to formally notice the proposed Secondary Material Processing Facilities and Operations Regulations.

Recommendation: Staff recommends approval of the "Proposed Secondary Material Processing Facilities and Operations Regulations" so that the regulations may be submitted to the Office of Administrative Law to initiate the formal rulemaking process under the California Administrative Procedure Act.

Action: On the basis of the information, analysis, and findings in this Request for Approval, I hereby approve the "Proposed Secondary Material Processing Facilities and Operations Regulations" and direct staff to submit the regulatory packet to the Office of Administrative Law to initiate the formal rulemaking process under the California Administrative Procedure Act.

Dated:

Scott Smithline
Director

Proposed Secondary Material Processing Facilities and Operations Regulations

1. In December 2016, CalRecycle held an informal stakeholder workshop in Sacramento to seek comments regarding the emergency regulations and any changes that are necessary as CalRecycle makes those regulations permanent.
2. From December 2016 through March 2017, CalRecycle analyzed input from the stakeholder workshop and developed draft language for permanent regulations for a Certificate of Compliance action.
3. In March 2017, based on stakeholder input from the December informal workshop, CalRecycle released informal draft language for proposed permanent regulations for the Certificate of Compliance action.
4. In March 2017, CalRecycle held another informal workshop in Sacramento to receive stakeholder input on the proposed permanent regulations.
